INNOVATIVE TEACHING COHORT

Design Today. Inspire Tomorrow.

A practical professional learning experience for educators ready to elevate instruction, engage learners, and lead meaningful change in their classrooms and communities.

MONTH 1: FOUNDATIONS OF INNOVATION

- Explore the mindset and habits of innovative educators.
- Examine research-based instructional practices.
- Identify opportunities to solve real classroom challenges.

MONTH 2: DESIGN & COLLABORATE

- Collaborate with peers to generate and refine ideas.
- Design engaging, inclusive, and student-centered lessons.
- Leverage technology and creativity to enhance learning.

MONTH 3: IMPLEMENT & IMPACT

- Put your plan into action and gather student feedback.
- Reflect on impact and iterate for continuous growth.
- Share and celebrate learning with the cohort.

One live workshop and two self-paced learning experiences per module
Coaching and implementation time between modules
